After running several successful pub trivia nights for several years, people always inevitably come up to me and ask me one question over and over again: How can I get better at Trivia? Well, I have a simple answer for you: "Buy this book!" Volume II of American Pub Trivia is packed with all new trivia questions covering a broad range of topics presented in an entertaining, engaging, and funny format with trivia tidbits and extras thrown in for additional context. Like with the original Volume I of American Pub Trivia, questions cover a broad variety and vast range of topics from book learnin' to Harry Potter, from science to history, and from science to pop culture and everything in between. "A lot of trivia is vanilla and boring. That's not the case here. If you don't laugh at least once while reading this book, I will eat my shoe." -Dr. Seven Phoenix

"There's no way you're going to get a quote from me to use on your book cover"-Thoughts of Ken Jennings "Don't buy this stupid trivia book. It won't help you beat us." -That Team At Trivia Night Who Always Wins and You Hate So Much
