Text Book!By Gregory HewittA dull list of fabulous Godzilla movies.2 of 4 people found the following review helpful. Not badBy SassyDreeIt's very informative, book is divided by eras and countries. Hardly any pictures, not meant for young kids.

The definitive crowd-sourced encyclopedia on Godzilla, covering EVERY Movie, EVERY TV Show, EVERY Video Game and Much more. Content ranges from the earliest days at Toho to the latest Comic Book series from America. This volume is completely annotated with an index and photographs. Sure to please Godzilla collectors and fans young

and old.
