From Oxford University Press : A Little Piano Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Little Piano Book:

A book of pieces of around Grades 3-5

This is clearly interesting pedagogical material which also sounds good! I have no hesitation in recommending these miniatures for teaching purposes. * Nils Franke, MMA Ensemble Magazine, April 07 * About the Author In the fifty years since his death, Vaughan Williams has come to be regarded as one of the finest British composers of the 20th century. He has a particularly wide-ranging catalogue of works, including choral works, symphonies, concerti, and

opera. His searching and visionary imagination, combined with a flexibility in writing for all levels of music-making, has meant that his music is as popular today as it ever has been.
