I am so furious! Please help me out with this conundrum ... I cannot seem to get into the Review Guidelines, either!!! Natalie 0 of 0 people found the following review helpful. Enjoyable read By R. Foster One of the most enjoyable books I have read lately. Loved the character development, as I couldn't stand Ove in the beginning but cheered for him in the end. 0 of 0 people found the following review helpful. Waste By Jane C This book was all above the writer and not Ove. I should have listened to the other reviewer. Short ripoff!
