laptopBy ellafanFinally!!! "Grim Fandango" has been tuned and is working beautifully on my laptop. And this guide is working very well,too.It is very well written,and the instructions/walkthrough are perfect. The book covers everything you might need to finish this wonderful game. After years of trying to play this game on a new computer,I finally can play now without jumping through any hoops whatsoever.

Do You love playing this classic game, but hate slogging through countless websites for walk- throughs, puzzle solutions and tricks to make it move along faster but not miss anything? This is the guide for you! Made by a gamer for gamers, this book will guide you from the basics through the story and beyond.
