From Faber Music Ltd : A Pastoral Symphony (Full Score): Symphony No. 3 before purchasing it in order to
gauge whether or not it would be worth my time, and all praised A Pastoral Symphony (Full Score): Symphony No. 3:

A heartfelt and subtly beautiful tribute to the dead of the First World War, Vaughan Williams' Third Symphony is amongst his most powerful works. Misunderstood at its premiere in 1922, the haunting 35-minute elegy is almost entirely quiet and contemplative, though beneath its tranquillity lays a deep sadness. In the second movement a lone trumpet calls over a bleak and desolate landscape whilst the fourth and final movement is framed by a wordless lament

for solo soprano. Faber Music publishes this long-awaited hardback critical edition.
