A Prairie Home Christmas: With Garrison Keillor Hundreds of Friends Acquaintances (Lake Wobegon) is a collection of skits and musical numbers by Garrison Keillor (famed Lake Wobegon author and story teller...) and a wonderful ensemble of entertainers. I purchased it on a whim as I enjoy Garrison's humor so much, and I am so glad I did! The whole album is a joyful romp celebrating Christmas both as a religious holiday and as a fun, Santa-rich experience. My favorite skit is when Santa starts telling weary shopper Dwayne he needs to 'stop sniveling and get shopping'. Suggesting gift items that include dried food, underwear and stamps. The accompanying song sticks with me throughout the season and gives me a giggle when I need it most. Not exactly a traditional Christmas music album, Prairie Home Christmas offers a lot of sweet, nostalgic, country Christmas charm in a radio show format, that's not to be missed. 0 of 0 people found the following review helpful. Prairie Christmas By ShopperMama A Prairie Home Christmas: with Garrison Keillor is a unique collection of songs and skits showing ordinary, and a few not quite so ordinary, people celebrating Christmas. Mr. Keillor did a great job in showcasing the great, the good, and the difficult times and situations that can come up in any given year during the holidays. This is done in the same fashion as his Lake Wobegon Days radio show, where he often will include, as he does here, old hymns and songs of a bygone time. If you have enjoyed any of Garrison Keillor's radio shows, or if you just want a good laugh during the holidays, I highly recommend this recording. It's

certainly become a tradition now in mine!0 of 0 people found the following review helpful. Mostly musicBy J. BradfordVery pretty music and only a few skits. I prefer skits. "Shop for Christmas" is pretty funny with Santa slapping someone for whining about shopping.
