6 of 6 people found the following review helpful. Learn Violin! By Nathan D Moldenhauer I am an adult learner of the violin, who has never played an instrument, and with the "Tune a Day" books, and my teacher, I went from knowing nothing to being able to play well within weeks. Very easy to read and understand not just how to play but how to read music (and apply it to the violin) as well. 0 of 0 people found the following review helpful.
