By BatflaI had purchased the first greatest hits and loved it and now that I'm on level two book I purchased this one and haven't started it yet but hopefully I love it just as much. For anybody learning piano these additional books supplement the basic book and give you additional songs that you can play that are within The Alfred adult piano book series. 0 of 0 people found the following review helpful. Five Stars By CustomerLove it! I already went through the first level. 0 of 0 people found the following review helpful. A must! By Lady DVery helpful in my piano class!

Alfred's Greatest Hits series has overwhelmingly been accepted by students and teachers. This series combines just the right combination of hits from Broadway, Hollywood, television and recordings! As you might expect from Alfred, this series offers a rare combination of great music arranged with care and creativity. Adult students can savor the excitement of playing pop music and reap the benefits from making practicing more fun and rewarding.
