**Willard A. Palmer, Morton Manus, Amanda Vick Lethco : Alfred's Basic Adult Theory Piano Book: Level One (2462)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Alfred's Basic Adult Theory Piano Book: Level One (2462):

done with this volume. It sets out a course of study and practice clearly and steadily, from the point of view of the reader/beginner (I can't say how it relates as to how specific skills are emphasized, etc). I would recommend this book. For example, I have experienced steady improvement in reading of music; grasping the rules of duration of notes and rests, and the like. There are no surprises nor confusing instructions. 1 of 1 people found the following review helpful. Five Stars
