Palmer, Morton Manus, Amanda Vick Lethco : Alfred's Basic Piano Library Flash Cards, Bk 1A 1B: 102 Cards That Can Be Used by Any Beginning Student, Flash Cards** before purchasing it in order to gage whether or not it would be worth my time, and all praised Alfred's Basic Piano Library Flash Cards, Bk 1A 1B: 102 Cards That Can Be Used by Any Beginning Student, Flash Cards:

By Customer This set really is for beginners. It has a picture of the different type of notes (quarter, whole, etc.) all the different signs (rest, 3/4, 4/4, crescendo, etc.) It also has the flashcards for the notes, it does not include the entire base and treble clef. My set went from low A, up to about D on the treble clef. I wanted ones that also include the notes beyond the clef (high or low C for example). Also, it has some of the keys, but it only included 2 of them, only C and G Major. I was very disappointed that it did not include all of the main keys. The paper is thick and the size is good (easy to read), but there are more than 100 cards, and they are all loose. I thought some kind of clip or ring would be helpful. Also, there is one hole at the tip middle, a horrible place if I were to clip them together.

By Customer I have used these for years for my piano students. They are a great teaching tool that I will continue to use.

By Customer These flash cards are very big and are not easy to use. I do not recommend these.

102 cards are included in each set, and are coordinated page-by-page with Lesson Books, Levels 1A 1B and Levels 2 3. May be used with any method.
