Recommend By VGI have been teaching my grandson how to play the piano for several years. We will shortly be starting Books 4. I have been very pleased with his progress using these books. They were recommended by a neighbor that had been using them to teach her grandson. 1 of 1 people found the following review helpful. This method is perfect for the young beginner By cynthia

sparkenbach I'm a retired piano teacher who is starting to teach her granddaughters to play piano. This method is perfect for the young beginner. The songs are fun to learn and the girls are always eager to practice.

The Technic Books provide reading and rhythm drills and exercises perfectly paced with each Lesson Book in Alfred's Basic Piano Library to improve musicianship and develop coordination of the hands.
