I would prefer a lot more "problems to do" and a lot less teaching as I, as the teacher, can do the teaching. I want the students to have more practice actually identifying the chords.0 of 0 people found the following review helpful. Great Teaching Series. I've

Used It For Years. By Ellen M. DuBois I've used the Alfred's Basic Piano Course to teach my students piano for years. It guides me through teaching the music theory my students need and also progresses through the various levels at a rate that's quick enough to keep my students from getting too bored! I also use their Piano Solo books for recital pieces, etc. Excellent and challenging series for piano students of all levels- from 1A up. When you get into books 4, 5, and 6, the pieces have some decent substance and provide plenty of challenge.
