E. L. Lancaster, Kenon D. Renfrow : Alfred's Group Piano for Adults: Student Book 2, 2nd Edition (Book CD-ROM) before purchasing it in order to gage whether or not it would be worth my time, and all praised Alfred's Group Piano for Adults: Student Book 2, 2nd Edition (Book CD-ROM):

It breaks really easily and is overall a bad design for a book. I know this because I had Alfred's Book 1 and it broke very quickly and easily. I'm sure Book 2 is going to break down soon with wear and tear. However the book is a very good instructional guide, and I was required to have it for my Keyboard 3 class for music majors. The price was much better here than at the bookstore in my school. Great sequel to book 1.2 of 2 people found the following review helpful. Fabulous book!By JM ReesI have been very

pleased with this series of piano books for adults learning to play the piano. There are a wide array of exercises including accompanying, sight reading, solo pieces, technical exercises, etc. There is enough variety in the music choices to please just about everyone. I've enjoyed just flipping to something that hasn't been assigned and finding something I was interested in learning. 0 of 0 people found the following review helpful. Wonderful Price for a College Textbook By Cam Rhodes Super price versus college bookstore price. Whatever I save ordering textbooks on goes into my daughter's mad money!

The Second Edition of Alfred's Group Piano for Adults, Book 2 includes updates inspired by numerous recommendations from group piano teachers and students. This book includes a CD-ROM containing both Audio and General MIDI Files of the 500+ accompaniments included in the text, each with an interesting and engaging arrangement coupled with the piano part. Designed for collegiate non-keyboard music majors with little or no keyboard experience, the easy-to-use text contains 26 units, each intended to be covered in one week, thus fulfilling two semesters or three quarters of study. Theory, technique, sight-reading, repertoire, harmonization, improvisation, and ensemble activities are taught thoroughly and consistently throughout the text. The comb binding creates a lay-flat book that is perfect for study and performance. Book 2 is 408 pages.
