some new things about states I know little about and have taken the time to look up things such as state parks or monuments. The printing is so small it is tough to actually mark through the word I just found! I don't like that. 1 of 1 people found the following review helpful. Perfect for Elderly Folks By CorgisRock! My 94-year old mother loves this book! She enjoys doing the word search puzzles and learning things about each of our states at the same time. She says that searching for the words provides just enough of a challenge for her without being as frustrating as some crossword puzzles are. 0 of 0 people found the following review helpful.
