Correll I like Alfred's Piano lessons books first because they quickly put students in a 5 finger pattern that aligns with teaching scales and chords. I took one star off for this not because of the book itself, but because I bought it for Kindle (because I wanted it NOW) and thought I could print it off. WRONG!. If you want this book, be patient and order the regular book, not Kindle. 0 of 0 people found the following review helpful. Wonderful!
