Mary L. M. Bartlett : All Things Catholic before purchasing it in order to gauge whether or not it would be worth my time, and all praised All Things Catholic:

1 of 1 people found the following review helpful. All Things Catholic Would Appeal to Young and Old By Kate B. This book is great fun for people who enjoy the challenge of word searches, especially if you have a Catholic background or you want to learn about Catholicism. The 50 puzzles focus on specific topics, like "The Rosary," "the Sistine Chapel," and "Sacraments." This book would be great for older Catholics who like word puzzles because it will bring back memories. It is also great for students who are just learning about many of these topics. I think catechists and religion teachers would appreciate the variety of the content.
