Mahler and Her Contemporaries: A Research and Information Guide (Routledge Music Bibliographies):

This selective annotated bibliography places Alma Mahler with three other female composers of her time, covering the first generation of active female composers in the twentieth century. It uncovers the wealth of resources available on the lives and music of Mahler, Florence Price, Yuliya Lazarevna Veysberg, and Maria Teresa Prieto and supports emerging scholarship and inquiry on four women who experienced both entrenched sexual discrimination and political upheaval, which affected their lives and influenced composers of subsequent generations.
