**Ryan O'Meara : Amazing Dog Facts and Trivia (Amazing Facts Trivia)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazing Dog Facts and Trivia (Amazing Facts Trivia):

1 of 1 people found the following review helpful. Never Can Learn It All By Silly Rabbit The old saying "you're suppose to learn something new everyday and you are never too old to learn something new" applies to this book. I am a past breeder of hunting dogs. You think training and grooming and feeding correctly that after a time, you feel very confident in your knowledge when a book like this comes along and challenges your brain! Believe me, I have read

many a book about dogs, covering a wide range of topics. My husband actually bought our granddaughter a copy while out shopping. I skimmed the book on our drive home and knew I had to have a copy. I ordered my copy from when we returned home. She loves animals and enjoys all my dogs. So it has been fun talking about what we learned as we read it. She is amazed that I am still learning and refreshing my mind at my age. (I am 66 and she is 7!!)0 of 0 people found the following review helpful. I like itBy Josh WI love this book. My parents bought it for me years ago, and my dog recently chewed it up. (ironic)I had to buy a replacement because I have a sentimental attachment to it.0 of 0 people found the following review helpful. Five StarsBy Amber AlexanderDaughter loved it! Has read a good bit of it already!

Each book in the 6.5in x 8in Amazing Facts and Trivia series is beautifully illustrated and contains hundreds of colorful pieces of artwork, photographs, and diagrams. These quirky books are designed to be opened to any page so that readers can discover intriguing stories, facts, tips, and trivia.As domestic animals go, none has been able to match the rise of the canine. From its wolf ancestors, the dependable dog has established its position as the worlds most popular companion animal. The dog has earned the title of mans best friend through centuries of devotion, companionship, dedication, courage and willingness to be whatever we want or need.In the pages of Amazing Dog Facts and Trivia, you can find out everything you have ever wanted to know about our legendary best friends, as well as lots you probably never thought to ask. Chapters are devoted to the origins and development and to the various dog breeds from Poodles to Labradors to terriers to wiener dogs. You can find details about the physical traits of dogs: their barks, their hearing, and astounding sense of smell. If youre in the market to buy a dog, this book can help you evaluate different breeds, learn how to choose a breeder, and puppy-proof your home. When you get your dog home, this book offers tips on caring, feeding, and playing with your pal. For dog lovers of all breeds, this book is filled with fascinating facts, witty anecdotes, and heart warming tales of canine loyalty. It is illustrated with striking images of dogs of all types, hundreds of indispensable dog training tips, and amazing canine statistics.
