**Sharon Wilson : Amazing Grace: 50 Hymn Word Search Puzzles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazing Grace: 50 Hymn Word Search Puzzles:

This book contains 50 word search puzzles. These puzzles were created using the lyrics of favorite hymns, beginning with 6 verses of Amazing Grace. For each puzzle, the complete lyrics for one verse and refrain are provided but only the underlined words are hidden in the letter grid. Most pages also include an artistic black and white image. These unique images were created from original color photos taken by Sharon Wilson. Scenes include nature landscapes and historic churches. These puzzles are not overly difficult though they were created to be as compact as possible, minimizing the number of unused letters. The number of words hidden is different for each puzzle and ranges from 15 to 30 words. Grid size ranges from 10 by 10 to 13 by 13. Puzzle Book Features: page size: 8-1/2 x 11 font sizes: 16 point for the lyrics, 20 point for the letter grids one puzzle per page grid size ranges from 10x10 to 13x13 number of

words hidden is different for each puzzle nbspand ranges from 15 to 30 words solutions provided at the end of the book photo art descriptions and locations listed at the end of the book
