**Amber Jane Butchart : Amber Jane Butchart's Fashion Miscellany: An Elegant Collection of Stories, Quotations, Tips Trivia From the World of Style (Ilex Miscellany)** before purchasing it in order to gage whether

or not it would be worth my time, and all praised Amber Jane Butchart's Fashion Miscellany: An Elegant Collection of Stories, Quotations, Tips Trivia From the World of Style (Ilex Miscellany):

0 of 0 people found the following review helpful. There are many gems which show the depth of knowledge Ms. Butchart contains, and I look forward to reading more of her work. By WeepWow A gorgeous little stunner, with lovely illustrations. A great item to pop into a bag and flip through on mass transit, waiting for a meeting, as it is written in a fragmented manner which highlights various topics of fashion as the overarching topic. There are many gems which show the depth of knowledge Ms. Butchart contains, and I look forward to reading more of her work. You will give it 5 stars if you are interested in the modern day internet impact and bloggers. I'm not of that ilk, and found myself skipping those passages where various milestones are noted such as "first internet fashion show," and such. 1 of 1 people found the following review helpful. So You Think You Know It All? By Jacque Phat Since I am pretty familiar with the history of fashion I expected this to be a quick read. But no, this book is packed with all kinds of interesting tidbits about the history of fashion, the impact of the internet, fashion in film, in fiction, etc. the book is also beautifully constructed and includes a nice ribbon bookmark. Highly recommended for all lovers of fashion. 0 of 0 people found the following review helpful. Perfect addition for reading for fashion class. By CharloHG Great short reading to add interesting information for fashion class. Easy read. Look forward to addition books by this author.

Styles come and go, but fashion has an enduring appeal, a rich history, and everyday practical relevance for millions. Following the successful formula of PRINGS PHOTOGRAPHERS MISCELLANY (Ilex, 2011) (and many others), Amber Jane Butchart's collection is the perfect gift read and full of little known facts and stories from the world of fashion and style. Classically typeset, modishly illustrated, and with its own garment label on the front cover, the book is not just a fascinating read, its a stylish object in its own right. Launched to coincide with New York Fashion Week 2014, this beautifully-packaged book offers a host of new perspectives on a classic subject. Professional fashion expert Amber Jane Butchart casts a quizzical eye over fashions oddities, revealing the histories of such garments as the Adelaide boot, the origins of many technical terms and a host of entertaining quotes and aphorisms from the fields most colorful names. New line illustrations from Penelope Beech complete the book, making it a feast for the eyes as well as a treat for the stylish soul.

About the Author Shot by Vogue as a girl, Amber Jane Butchart has turned a lifelong love affair with dressing up into a career as a fashion historian, writer and broadcaster. Lecturer at the London College of Fashion, she has appeared on BBC 1 2, Radio 4, Channel 4 and Sky Arts, and was Head Buyer for vintage clothing chain Beyond Retro. She has DJed for Marc Jacobs, Vivienne Westwood and Louis Vuitton, and has spoken at the University of the Arts London, the VA, the ICA, the British Museum, the RA, the British Library and SHOWstudio.
