Gilbert Chase : America's Music: FROM THE PILGRIMS TO THE PRESENT (Music in American Life) before purchasing it in order to gauge whether or not it would be worth my time, and all praised America's Music: FROM THE PILGRIMS TO THE PRESENT (Music in American Life):

0 of 1 people found the following review helpful. More than 50% of the book is dedicated to a ...By Alexander Leyderman More than 50% of the book is dedicated to a trivial and minor role of early American music. The rich

developments in the 20th century, which made American music dominant part of the the world culture, are skimped. This is elitist and unfair book.

"Every student and scholar of the subject is indebted to this landmark book, in countless ways." -- Charles Hamm, in *Music in the New World* From the Back Cover 'A landmark in American musical historiography.... Indispensable for music teachers and scholars; moreover, it is accessible to the layman.... An exhaustive bibliography, excellent discography, and rarely seen illustrations and photographs add to its attractiveness.'
