David Lee Joyner American Popular Music : American Popular Music before purchasing it in order to gage whether or not it would be worth my time, and all praised American Popular Music:

This text provides an overview of the four major areas of American contemporary music: jazz, rock, country, and musical theater. Each genre is approached chronologically with the emphasis on the socio-cultural aspects of the music. Readers will appreciate Joyner's engaging writing style and come away with the fundamental skills needed to listen critically to a variety of popular music styles.
