for unison chorus with piano From Folk Songs of the Four Seasons

About the Author In the fifty years since his death, Vaughan Williams has come to be regarded as one of the finest

British composers of the 20th century. He has a particularly wide-ranging catalogue of works, including choral works, symphonies, concerti, and opera. His searching and visionary imagination, combined with a flexibility in writing for all levels of music-making, has meant that his music is as popular today as it ever has been.
