Brian Richardson : AN INTRODUCTION TO THE ART OF TAKING TRICKS: Bridge with Brian Book Two before purchasing it in order to gage whether or not it would be worth my time, and all praised AN INTRODUCTION TO THE ART OF TAKING TRICKS: Bridge with Brian Book Two:

0 of 0 people found the following review helpful. to the level of "advancing" player and I highly recommend both books for beginner bridge playersBy CustomerI have taken a class taught by Brian Richardson and I find he writes just

the way he teaches, clearly and concisely. "The Science of Bidding" gave me (as a beginner) the fundamentals of bidding in a simple, comprehensible way. His examples and quizzes at the end of each chapter were extremely helpful. Also, there is a review with all the highlights of each chapter at the end of the book which I keep returning to to refresh my memory. "The Art of Taking Tricks" helped me (with no "card sense") start to take tricks and play with confidence at duplicate bridge. These two books took me, as a beginner, to the level of "advancing" player and I highly recommend both books for beginner bridge players. BTW, both books serve as a teaching manual for teachers of beginning bridge.

Book Description AN INTRODUCTION TO THE ART OF TAKING TRICKS Bridge with Brian Book Two This text introduces the advancing player to the skills necessary to become a more expert Declarer Chapters on planning counting Winners and Losers increasing Winners eliminating Losers retaining communication between Declarer and Dummy and drawing trumps provide a structured approach to Declarer Play In the final Chapter the author introduces the reader to Defense giving a brief introduction to the complexity of finding an opening lead Each Chapter contains hands to bid and play and concludes with some Bidding Tips This book is both a self teaching manual for the individual and a well organized text for the teacher

About the Author Brian Richardson has lived and worked for extended periods of time in New Zealand, Australia, Britain, Indonesia and the United States. Retired, Brian is both Director employed by the American Contract Bridge League to direct Sectional and Regional Tournaments, and an ACBL "Star" Teacher. He is much in demand in the Los Angeles area as a bridge teacher, particularly for novice and intermediate players. His passion for teaching is matched by his passion for playing - an activity for which he wishes he could find more time. The author's Website can be found at http://mysite.verizon.net/brian_delia/
