From Eighth Note Publications : Andante (from the Trumpet Concerto): Part(s) (Eighth Note Publications) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Andante (from the Trumpet Concerto): Part(s) (Eighth Note Publications):

The Haydn Trumpet Concerto is one of the most recognizable pieces of music for trumpet. The beautiful Andante movement has been played by countless trumpet players in concerts and competitions. This version has been transposed down a fourth which allows younger musicians to perform this work. By lowering the piece, the highest

note required is an F which is reasonable to attain in the first year or so of playing.
