A great selection of songs from a variety of Andrew Lloyd Webber's shows. Most are fairly easy to play, but a few are quite challenging. So, there is a little bit of something for everyone in here. I was hoping that the song "Love Changes Everything" would be in this, but there are no songs from the show "Aspects of Love" included in the book. Other than that there is enough in there to keep me happy for quite some time.

Awesome! The songs are wonderful and can be shorten for recitals. Most songs require a low "G" string. (But you can adjust the notes from "G" to "C" tuning when you only have a high "G" string.). It is one of. My favorite songbooks. The music was

composed with repeated simple patterns. So anyone can play the melody after learning the alpha letters for the strings. Simple chord diagrams are shown above the music. If you want to impress and surprise people when you play, get this book.

20 Lloyd Webber favorites arranged for uke including: All I Ask of You * Angel of Music * Any Dream Will Do * Close Every Door * Don't Cry for Me Argentina * I Don't Know How to Love Him * Memory * The Music of the Night * The Phantom of the Opera * Think of Me * Unexpected Song * Whistle Down the Wind * Wishing You Were Somehow Here Again * and more.
