Amit Garg : Anko Ka Jadu (Hindi Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Anko Ka Jadu (Hindi Edition):

The book highlights some of the astonishing features of numbers, such as how to make a magic box, guessing the number in a friendTMs mind, telling the year printed on a coin etc. The book is not only fun and informative, but also

awe-inspiring. It is a priceless treasure of your knowledge and entertainment.
