Bryan Dawson : Arcania Gothic 4: Prima Official Game Guide (Prima Official Game Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Arcania Gothic 4: Prima Official Game Guide (Prima Official Game Guides):

0 of 0 people found the following review helpful. Arcania Gothic 4 Strategy Guide By RJ the Great Cat Lover This is a pretty good guide, as guides go. Most, if not all, guides have problems. There are a few typos. The Ice Bolt spell description, for example, is the Conflagration description. Also, it states each level of skill costs 1 skill point when it actually costs 3 skill points. Minor typos aside, the guide is still pretty good. Here is what's inside: **BASICSA** short section covering game play terms. **ABILITIES** Complete descriptions of all skills. You train your character anyway you

wish, mixing magic, ranged and melee. **EQUIPMENT** Full listings of scrolls, consumables, weapons, armour and also merchant shops plus what they sell. **CRAFTING** All the recipes are listed, although the scroll is still required. **BESTIARY** All enemies and their states - 8 pages long! Alas, no pictures. **WALKTHROUGH** By far the largest section, covers all side quest as well as the main story. Well done. Includes a Quest Book for minor quests. **CHEST LOG** All 200 hidden chests are listed, location, contents, and a picture of each chest! **ACHIEVEMENTS** Only for X360, but each has a short description, useful for the tricky ones. Overall, this guide is useful and decent. 0 of 0 people found the following review helpful. The biggest problem I have with this guide is that ...
By vernon ritchie The biggest problem I have with this guide is that it is written in paragraph form, with all the missions and tasks together, rather than in different sections. It makes it harder if you are looking for one certain item. The game itself is very clear, so most players will not need a guide to complete the game. 0 of 0 people found the following review helpful. Five Stars
By Michael R. Bressler like this game a lot.

* Our complete Quest Log section will step you through every main and side quests!
* Revealing Bestiary section with battle tactics and enemy stats!
* Stats for every weapon, armor, and item!
