A must-have for sopranos, and it provides a wide variety as far as what type of soprano you are. 0 of 0 people found the following review helpful. Wonderful By A Rosie Claddagh These anthologies are just beyond wonderful. They have a brilliant selection of songs and the piano part is easy to follow if you wish to play and sing at the same time. The translations in the front of the book are clear, and while not underneath the other text in the actual songs, is easily written in if so desired. 0 of 0 people found the following review helpful. a must have By L. This edition is more comprehensive than the 1st and great arias for different fachs.
