Zia Mahmood, David Burn : Around the World in 80 Hands before purchasing it in order to gage whether or not it would be worth my time, and all praised Around the World in 80 Hands:

2 of 7 people found the following review helpful. A Fun ReadBy A Customeralthough what else would you expect from Zia, one of bridge's great personalities? A highly entertaining book full of interesting hands and interesting people.

Taking you from world championship tournaments to big-money rubber-bridge games, this book puts you at the table as thousands of dollars (or a world title) change hands on the turn of a card. In the smoke-filled clubs of London and New York, characters such as Harry the Horse, Moonbeam, Godzilla, and Hannibal the Cannibal play for high stakes. World championships hang in the balance in Chile, Italy, and Bali. In the jet-set resorts of Europe, the top pros play invitational money tournaments with millionaire sponsors. Share the favorite bridge memories of one of the world's best, as Zia Mahmood takes you Around the World in 80 Hands.
