book is good. aftermarket booksellers are goofy.By rylletteverytime a book goes out of print these booksellers jack up the prices so high they are a joke.i own this book in mint condition and i will sell it for only 99.95.in addition i own the 1995, 10th edition which i will let go for only 499.95.any takers?

Having a current copy of the FCC Rules means you'll be able to follow important, recent changes to the Amateur Service. Includes the entire text of Part 97, with easy to read explanations. Keep a copy nearby
