Time saver for those tedious puzzle's0 of 0 people found the following review helpful. A GREAT BEGINING TO THE EZIO TRILOGYBy Richard H. BurkI now own all 5 of the current Assassins Creed games that are currently out there, but the Ezio Trilogy is my favorite so far. This particular game introduces Ezio from his birth and you get to know his entire family and the roles they played in what led up to his being the leader of the Assassins Guild. A lot of historical characters along the way, that I am sure you will recognize including Da Vinci, who became a lifelong friend of Ezio's. As I mentioned earlier, I now have the newest Assassins Creed: Blackflag pre-ordered through and I am looking forward to playing that as well (comes out on 29 October, for those of you who are interested).0 of 0
