1 of 1 people found the following review helpful. Awesome resourceBy LJFThis is a really fantastic resource for all string teachers. This curriculum breaks down teaching strings into small pieces and provides assessment guidelines for each step in the process. We're really excited to use this book in our undergraduate music education classes this fall.1 of 1 people found the following review helpful. Great ideas- great bookBy Denise A. KuehnerVery useful in writing curriculum and getting ideas as to where we should be.Lots of ideas. Standards, Goals and learning sequences for essential skills are clearly laid out. ASTA puts together good publications.0 of 0 people found the following review helpful. Five StarsBy rjcImportant resource

This comprehensive K-12 string program curriculum is the first of its kind. A clear and concise scope-and-sequence makes this curriculum easy to use; more than 200 specific learning tasks make this curriculum comprehensive. Based on the outstanding teaching traditions in the field and the contributions of many earlier authors, educators, and researchers, this curriculum contains useful and practical information for string teachers from every level of experience.
