What is with the Map?By mtarrswims This is supposed to be a re-print of the first book in the Mitford series - it has a colorized map of Mitford - however.....it is not the map of Mitford that ties to the story in the book. Much of the story centers around "The Grill" a Breakfast-Lunch diner. It is not even on this map instead there is "The Fee- Good Cafe" which does not actually appear in Mitford until the book "Someplace Safe with

Someone Good". I find this a little disappointing as it can confuse the new reader to the series.0 of 0 people found the following review helpful. At home in Mitford...you'll never want to leaveBy Laurel A. SilvaHave some sweet tea and come and sit on a porch swing awhile and catch up on all the town gossip and doings. Combining the stellar script-adaptation skills of award-winning writer Paul McCusker with the best-selling novel by Jan Karon, Radio Theatre's *At Home in Mitford* will leave listeners longing for more. Set in the charming village of Mitford, this book will delight listeners as it draws them into the life of Father Tim, an Episcopal rector who finds himself running on empty and longing for change. His bachelor existence is changed and enriched by a lovable cast of characters, including a stray dog, a lonely boy, and a comely neighbor.
