Ormond McGill : Atomic Magic before purchasing it in order to gage whether or not it would be worth my time, and all praised Atomic Magic:

To that perpetual question, "What's new in magic?" comes this book: "Atomic Magic" is new, colorful, and entertaining, making use of topics that are current to the public mind. It is the application of the super science of

popular science fiction to the art of magic. [Originally published in 1951.]
