Michael Straczynski : Babylon 5: The Galactic Guide (Babylon 5 RPG) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Babylon 5: The Galactic Guide (Babylon 5 RPG):

10 of 25 people found the following review helpful. Not what I expected By Bob Stout I ordered this, thinking it was a guide to the series in the same vein as guides for Star Trek or Star Wars. I discovered that it is a guide to a Babylon 5 role-playing game in which I have no interest. It's still informative and entertaining, but not as much so as I was expecting.

The Galactic Guide to Babylon 5 is a huge resource for any Games Master or Player wishing to know more of the galaxy they operate in. Containing studies on ancient planets and races as well as detailing the varying political influences on the galaxy, this book will prove invaluable to all fans of the Babylon 5 universe. In addition, the Galactic Guide has rules for a variety of situations, circumstances and occurrences, collated into a readily accessible source. In

short, there's something for just about everyone in the Babylon 5 Galactic Guide.
