From G. Schirmer : Bach: 18 Little Preludes and Fugues: Piano Solo (Schirmer's Library of Musical Classics, Vol. 424) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bach: 18 Little Preludes and Fugues: Piano Solo (Schirmer's Library of Musical Classics, Vol. 424):

By Luke My teacher suggested I purchase this book as a segue between Bach's first lessons and his two part inventions for sight-reading. The collections in this book never exceed three sharps or flats, and consist of a good balance of maj/min keys. The

pieces themselves are beautiful - matched with each prelude is a fugue in the same key, and usually the difficulty of the prelude is the same as the fugue. The range of difficulty is wide, but I agree with my teacher that it is a great segway from the first lessons to the two part inventions. Other than that, some of these pieces are absolutely beautiful, and I don't think I would have ever heard them unless I had gotten this book. 3 of 3 people found the following review helpful. The Best of Bach By Bobby Like all Schirmer editions, this one is edited to enable easy access to Bach's great music. I agree with the fingerings and explanatory performance notations in this excellent selection of Bach's small scale brilliancies. 0 of 0 people found the following review helpful. Beautiful Bach Pieces By Customer Came in perfect condition and just as pictured! Has incredible pieces for an intermediate piano player (3 years experience). Perfect for me!

Piano Collection
