If you want to study the minds of a masterful composer By David L If you are a composer or arranger or pianist. You can't beat being able to read through some Bach for studies. Love it! 0 of 0 people found the following review helpful. Five Stars By Sonia Hernandez I love the pieces in this book!

As with all Alfred masterwork Editions, the 13 selections of this book appear in their original, unsimplified forms.

Menuets, marches, musettes and preludes comprise this carefully edited volume for early-intermediate pianists. Background material describes dance forms, ornamentation and dotted rhythms. Editorial indications for tempi, dynamics and articulations appear in gray print, and are based on scholarly research. It provides a valuable introduction to the keyboard works of this master composer.
