Although I am new to classical guitar, some of the fingering provided seems erratic. This may be my novice misunderstanding though. The real problem I had with the book is that some of the pieces, the Menuetts in particular, are not fully named. It took me longer than I like to admit to find which Menuett was Menuett in D Minor, BWV Anh. 132. As someone who likes to browse through my tab books with YouTube up to discern which pieces I'd like to learn, this was frustrating. 0 of 1 people found the following review helpful.
