Cacciotti An excellent set of challenges for the new cello student. Bowing and intonation receive focus as us always the case with Bach. Recommended especially because working on them gives one the feeling of that he is making progress toward greater challenges. 0 of 0 people found the following review helpful. Five Stars By Customer Easy pieces with an optional CD to play along. Helps develop timing and pieces are great! 0 of 1

people found the following review helpful. Music book with no musicBy kungfusasquachDo not buy this! There was a cd and no music in the copy I received. How am I supposed to play with the cd when no music is included.

(String Solo). Accompaniment CD for the book.
