**From G. Schirmer : Bach for the Cello: Ten Pieces in the First Position** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bach for the Cello: Ten Pieces in the First Position:

0 of 0 people found the following review helpful. I love these pieces By Jackie CI have played piano and flute for years but have taken up the cello as an adult. I have been playing for less than a year and I appreciate having sheet music that is more serious and appealing to an adult than "Pop Goes the Weasel" or "Oh, Susannah". I love these pieces. They are challenging for intonation but not so hard that you have to focus intensely or exclusively on proper fingering. Played relatively correctly they are beautiful. I enjoy playing them. 0 of 0 people found the following review helpful. I was disappointed that my copy did not include a pullout for ... By Kindle Customer I was disappointed that my copy did not include a pullout for just cello but was combined with the piano. I don't play the piano enough so that did not bother me but I can hardly read the cello part because it is such small writing. 0 of 0 people found the following review

helpful. One StarBy Laura SeekatzVery disappointed that it did not have a pull out part for the cello.

(String Method). For unaccompanied cello.
