The CD it came with is ok too. Only the Prelude in C major is weird. I would recommend this book to anyone who enjoys learning Bach.

This timeless collection contains selections attributed to J. S. Bach, his son C.P.E. Bach, and others. Generations of students have studied the volume's "Menuet in G Major," "Musette in D Major" and the "Prelude in C Major" from the first volume of The Well-Tempered Clavier. Dr. Palmer provides the texts to the instrumental settings of chorales and arias found in this work, as well as a brief biography of the Bach family. The Alfred Masterwork CD Editions conveniently combine each exceptional volume with a professionally recorded CD that is sure to inspire artistic performances. Pianist Valery Lloyd-Watts studied at the Conservatory of Music in Toronto and the Royal College of Music in London. She earned a Master of Music degree from the University of Wisconsin, where she studied with Paul Badura-Skoda. She co-authored the text Studying Suzuki Piano: More than Music, which was endorsed by Dr. Suzuki.
