Once upon a time, these two fantastic characters were my summer reading list. After buying one of Watterson's collections as a Christmas gift to myself, I can assure everyone that the dynamic duo is as good as it ever was. Meet Calvin, a six year old kid armed with a massive imagination, a thirst for adventure, a crazy sense of fun, and a complete disregard for the consequences of his actions. His best friend is Hobbes, his anthropomorphic stuffed tiger (he's alive, and anyone who says otherwise is a liar!!!). Hobbes is the more down to earth, laid back, and interested in the ladies, wink wink. Together, they get up to plenty of hijinx, much to the chagrin of his parents, his

classmate Susie, and just anyone he comes across. Calvin and Hobbes is everything a good comic needs. It's funny, it's deep, it's enthralling. If you are ever going to read one comic, make it this. 0 of 0 people found the following review helpful. I loved this comic book as a child and read and ...By Deanna Lancaster I loved this comic book as a child and read and reread it for years. Now I've bought it for my kids (8 9) and they love it, too! I still chuckle at Calvin's antics and re-appreciate the humor from the perspective of being a parent. 1 of 1 people found the following review helpful. Thank you, Bill Watterson, for years of enjoyment while following the adventures (and antics) of Calvin and Hobbs !!By Louise Mustain I was very sad when Bill Watterson announced that he was retiring his cartoon strip featuring Calvin and Hobbs. I LOVED those two and the first thing I always turned to in the morning newspaper was the cartoon page so that I could see what they were doing that day. ADORABLE!!! I was equally impressed that Mr. Watterson could come up with so many true to life antics for Calvin to do and involve poor Hobbs. I marveled how just a single line on Calvin's face could change his expression completely! That takes true talent to be able to accomplish that! So when I was scrolling through 's offerings and found the book The Essential Calvin and Hobbs: A Calvin and Hobbs Treasury I knew that I had to have it to add to my growing library. Thank you, , for offering it. I can now enjoy Calvin and Hobbs as often as I wish. Louise Mustain 6-18-2014

Including black-and-white dailies and color Sundays, The Essential Calvin and Hobbes also features an original full-color 16-page story. Perhaps the most brilliant comic strip ever created, Calvin and Hobbes continues to entertain with dazzling cartooning and tremendous humor. Bill Watterson's Calvin and Hobbes has been a worldwide favorite since its introduction in 1985. The strip follows the richly imaginative adventures of Calvin and his trusty tiger, Hobbes. Whether a poignant look at serious family issues or a round of time-travel (with the aid of a well-labeled cardboard box), Calvin and Hobbes will astound and delight you.
