Five StarsBy Alex CliftonWhat i was looking for.0 of 0 people found the following review helpful. Great reference book.By Peter MckayCovering the 3 original movies this book is one in a series I got for a friend with an autistic son. They are a wealth of information and very interesting.

KEEP YOUR EYE ON THE EMPIRE! RESEARCH THE REBELS!*Features detailed profiles of all the most important characters in the Star Wars universe*Covers the movies, the books--classic and new--the comics, the TV specials, the games, and the rest of the expanding universe of Star Wars*Describes the history and personality of each

character, with vital statistics, weapons of choice, and vehicles used*Includes photographs and original line drawings--with multiple illustrations of most characters for better visual reference*Brings you up-to-date on recent characters and events if you've been away from the Star Wars universe for a while.**THE UNIVERSE OF STAR WARS IS EXPANDING FASTER THAN EVER BEFORE...WITH THE ESSENTIAL GUIDE TO CHARACTERS IN HAND, YOU'LL NEVER LOSE YOUR WAY.**

.com You can find countless guides to the many gadgets and gizmos in the Star Wars universe--Bill Smith's Essential Guide to Weapons and Technology, which covers everything from ship-mounted turbo-lasers to combat remotes, is just one example. But what about all the characters in Star Wars? Look, a good book about remotes is one thing. A good book about the living? That's something else. Lucky for us, Andy Mangels has pored over all the movies and the collateral novels, comics, and computer games to put together this illustrated guide to the major and minor characters of the Star Wars universe. As would be expected, many pages are lavished on the likes of Vader and Solo, but bit players like Salacious Crumb (Jabba's cackling monkey-lizard pet) and Lobot (Cloud City's cyborg majordomo) aren't forgotten. An impressive survey in both depth and breadth, this guide fills in the gaps on some of Star Wars' most well-known personalities (who knew Luke's nickname was "Wormy"?) while revealing characters you may have never heard of (like Han and Leia's twin kids!). --Paul HughesFrom the Inside Flap**KEEP YOUR EYE ON THE EMPIRE!
