Also is good as history book that has very big timeline of events from earlier galaxy life to the future. Awesome4 of 4 people found the following review helpful. Highly recommendBy Joehawk92Perfect for any fan who has always wated to know how many guns does a star destroyer have? or how exactly a blaster works. Its almost like a history book with general profiles first hand accounts of battles like Endor

from an imperial perspective. (spoiler ewoks are vicious and devious) And cool pictures of ships and battles. It's a great read for any fan casual or otherwise with lots of references to fan favorites like admiral Thrawn, mandalorians, Han solo and of course the Jedi order. Lots of detail and I think a must have for fans of warfare in the galaxy far far away.2 of 2 people found the following review helpful. Hands down of the best Star Wars purchases I have ever madeBy George VelezHands down of the best Star Wars purchases I have ever made, it is invaluable to me as a star was fan and as a GM for Star War RPG games. There is more DLC available that is worth reading online.

THE DEFINITIVE GUIDE TO THE ULTIMATE INTERGALACTIC BATTLEFIELD Like many a great epic, Star Wars is rooted in a rich history of armed conflict. Now, for the first time, the facts, figures, and fascinating backstories of major clashes and combatants in the vast Star Wars universe have been documented in one fully illustrated volume. Extensively researched and inventively written, *Star Wars: The Essential Guide to Warfare* combines action-filled narrative with encyclopedic knowledge that: explores notable military units and groups traces the development of significant armaments and technologies profiles key warship classes, ground units, and manufacturers provides capsule biographies of great military leaders presents eyewitness troopers accounts of combat plusenough additional profiles, intel, history, and lore to span the cosmos! Encompassing all of the Star Wars media, including the legendary films, the hit TV series *Star Wars: The Clone Wars*, the bestselling books, comics, and videogames, and packed with original full-color artwork, *Star Wars: The Essential Guide to Warfare* is a conquering achievement.

About the AuthorJason Fry is a writer in Brooklyn, New York, where he lives with his wife, son, and about a metric ton of Star Wars stuff. Paul R. Urquhart is a pseudonym. He was born in Scotland between *Star Wars: A New Hope* and *Star Wars: The Empire Strikes Back* and has been a Star Wars fan since he bought his first toy X-wing at the age of three. Although occasionally mistaken for a larger-than-life Ewok, he is in fact a historian, specializing in medieval society.
