**William Missouri Downs : The Exit Interview** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Exit Interview:

culture. By Hankster A trenchant, dark satire of contemporary U.S. culture. Wildly innovative, fast paced humor. Don't miss it. Warning: not for creationists.

Bertolt Brecht scholar Dick Fig has been terminated by his university and is having an excruciating exit interview with Eunice - a decidedly droll administrator. Downs' witty play ricochets through Brechtian interludes, a pair of politically-radicalized cheerleaders, a pompous newsman, communiques from God, and debates on religion, science and politics before reaching its surprising conclusion.
