Dani Cavallaro : The Fairy Tale and Anime: Traditional Themes, Images and Symbols at Play on Screen before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fairy Tale and Anime: Traditional Themes, Images and Symbols at Play on Screen:

Over the last few decades, anime has consistently come into fruitful contact with themes, images and symbols associated with the fairy tale tradition. This critical text focuses on the ways in which fundamental principles of the fairy tale tradition are deployed, and hence come to manifest themselves narratively and cinematographically, in anime. Topics covered include modes of storytelling, aesthetics, as well as dramatic, ethical, psychological and social considerations. Of particular interest is the way in which allegorical commentaries on cultural and historical issues are illustrated in anime.

"An especially welcome addition...highly recommended." --Midwest Book .About the AuthorDani Cavallaro has written widely about literature, cultural theory, and anime. She lives in London.
