From the authors of *The Book of Beer Pong* and *The Book of Beer Awesomeness*, this illuminating and hilarious volume features everything a person could ever wish to know (and more!) about everyone's favorite bodily function. It's loaded with interesting information, from the history of farts to different types of flatulence ("Much like a fingerprint, no two farts sound or smell alike"). Also featuring the best fart techniques, defenses, and pranks, *The Fart Tootorial* will make any reader a master of the gas we pass.
