Gregg Rickman : The Film Comedy Reader before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Film Comedy Reader:

This lavishly illustrated collection of essays recalls the movies that over the past century have created never-ending waves of hilarity. Their authors include such prominent critics as James Agee, J. Hoberman, Robin Wood, David Thomson and Jonathan Rosenbaum. Beginning as the book does with the Silent Era, it also features Louella Parsons

writing about Harold Lloyd and Buster Keaton writing about, more or less, himself.
